EXPERIENCE

Oct 2025-Present - UAE Ministry of Defence - Executive Office / Jahizoun Program

UAE

Military Officer - Executive Office / Jahizoun Program

- Jahizoun Program:** Selected as 1 of 15 from 600+ MOD candidates for the program, opening my transition from a purely military environment into strategy and consulting work.
- Oliver Wyman - Six-Month Secondment:** Embedded full-time with consulting teams and worked across force transformation, BIO, energy, digital transformation and AI projects, contributing to analysis, problem structuring, stakeholder engagement and senior-leadership materials.
- Boston Consulting Group - Apr 2026-Present:** Working closely with Boston Consulting Group on MOD transformation, contributing to workstream delivery, analysis, stakeholder coordination and executive-level materials.
- Executive Office, MOD:** Returned to the Executive Office after the secondment period and continue to work with international consulting teams on strategic and transformation initiatives, bringing first-hand operational experience into the work.
- Current Military / JTAC Duties:** Continue to serve as a military officer and JTAC instructor alongside Executive Office and Jahizoun responsibilities, returning for recurring training and evaluations to maintain JTAC currency, instructor qualification and operational proficiency.

2018-2025 - UAE Ministry of Defence

UAE & Overseas

Military Officer - Command, Training & Operations

- Progressed from platoon command (~30 personnel) to acting company command (up to 100), accountable for administration, discipline, training, readiness and delivery to MOD standards.
- As training officer, trained and qualified 100+ officers and NCOs, all of whom met the testing standards set by unit leadership.
- Coordinated Falcon Strike 3, a multinational exercise involving 23 countries and 600+ participants; fully responsible for the exercise synchronization matrix and alignment of schedules, participant requirements, logistics, accommodation and resources.
- Served as JTAC (Joint Terminal Attack Controller) instructor and committee member for BOLD QUEST, a US-led multinational interoperability exercise, coordinating JTAC planning with international counterparts.
- Completed three overseas operational deployments between 2019 and 2022; sensitive operational details omitted.
- Participated in the 2021 Service-Level Training Exercise at 29 Palms, California, training alongside the United States Marine Corps.
- Selected from the Zayed Military College cohort for officer training at the Royal Military Academy Sandhurst.

2021-Present - Entrepreneurial Ventures

UAE

Co-founder / General Manager

- Co-founded and served as General Manager of a first venture while working full-time, stepping into operations, finance, marketing and people responsibilities as the business grew.
- Built the business with a young team and developed the operation until an established competitor acquired the company.
- Founded and exited a second venture during 2021-2023; currently co-founding a new F&B concept, leading operations, marketing, finance and design.
