UAE Ministry of Defence strategy and quality professional with 10+ years leading process, organizational performance, digital transformation, and leadership development in defence institutions; Jahizoun Future Leaders participant with top-tier management consulting secondment at Oliver Wyman.

EDUCATION

2021 - MBA, Organizational Excellence & Quality Management, Abu Dhabi University	UAE
2105 - Bachelor, Multimedia Design, Zayed University	UAE

EXPERIENCE

2025-Present – Executive Office of the Ministry of Defence	Abu Dhabi, UAE
---	-----------------------

Future Leadership Program Participant

- Selected as one of 15 participants from over 300 applicants for MOD's Future Leaders Program
- Completed a 6-month secondment as Intern Analyst at Oliver Wyman, supporting energy-sector strategy projects aligned with the UAE Energy Strategy 2050.
- Supported talent and leadership initiatives within the Executive Office.

2016-2025 – National Defence College	Abu Dhabi, UAE
---	-----------------------

Administrative Officer (*progressively promoted from Performance Analyst and Multimedia Designer*)

- Proposed and launched a centralized digital platform for institutional operations that replaced manual workflows and expanded self-service access for faculty and students.
- Led alumni engagement activities and maintained ongoing relationships with graduates, supporting continued connection between graduates and the College.
- Improved institutional processes by defining KPIs and performance dashboards to align academic and operational activities with institutional standards.
- Managed the College's visual identity and multimedia presence, including photography and live broadcast production for key lectures and events.

2011-2015 - Early Career Internships	Abu Dhabi, UAE
---	-----------------------

Intern / Trainee

- **ADNOC Distribution** – Assisted in designing publications and advertising materials for retail marketing campaigns and stakeholder events.
- **Abu Dhabi Housing Authority** – Supported citizen-facing housing applications and benefit approvals during a summer internship.
- **Department of Finance** – Worked with the IT team and gained exposure to Oracle financial systems during a summer internship.
