WORK EXPERIENCE

Manager - Electrical Engineering

Electro-Optics Centre of Excellence (EOCE) - EDGE Group

01/2025 - Present

Achievements

- ◇ Lead a multidisciplinary electronics engineering team responsible for developing advanced electro-optical systems supporting national defense capabilities.
- ◇ Direct engineering priorities, resource allocation, and project execution across multiple development programs.
- ◇ Guide strategic technology investments through technology evaluations and capability assessments.
- ◇ Partner with senior leadership, customers, and external organizations to translate operational requirements into engineering solutions.
- ◇ Drive organizational capability development through technology transfer initiatives and cross-functional collaboration.

Senior Electrical & Embedded Systems Engineer

Tawazun Technology & Innovation

10/2017 - 12/2024

Achievements

- ◇ Led end-to-end delivery of complex sensing systems from concept through field deployment.
- ◇ Coordinated cross-disciplinary integration across electrical, software, communications, and mechanical domains.
- ◇ Designed robust system architectures supporting mission-critical operational environments.
- ◇ Built laboratory infrastructure and testing processes that accelerated integration and validation.

EDUCATION

M.Sc. in Electrical & Computer Engineering

Khalifa University (2017-2019)

B.Sc. in Electrical & Electronics Engineering

Khalifa University (2013-2017)

EXECUTIVE EDUCATION

Strategy Execution Program (2026)

Harvard Business School

McKinsey Forward Program (2022)

McKinsey Academy

Young Future Energy Leaders Program (2019)

Khalifa University

Organizational Leadership Program (2025)

Harvard Business School

IBM Data Science Professional Certificate (2021)

IBM/Coursera

INTERESTS

Endurance Running & Marathon Training

Hiking & Outdoor Adventures

International Travel
