Strategic Management & Defense Affairs Professional

Bin3abr@hotmail.com • +971 50 858 8876 • Dubai, UAE

PROFESSIONAL SUMMARY

Strategic management professional and Ministry of Defense officer with 7+ years of leadership experience across defense operations, engineering, and legal affairs. Recently completed a PwC secondment as Senior Associate Consultant across government transformation and strategy consulting, and now supports the Strategic Management team within the Executive Office of the Ministry of Defense. LL.M. in International Business Law; B.Sc. in Electronic Engineering. Fluent in Arabic and English.

CAREER HIGHLIGHTS

- **Supported a national government digital transformation program (2026)** — PwC secondment, PMO support for a survey platform spanning 56 government entities.
- **Joined the Strategic Management Team, Executive Office (2025)** — Ministry of Defense.
- **Promoted to Captain, Ministry of Defense (2022)** — advanced from First Lieutenant (2018).

EXPERIENCE

Strategic Management Team

Sep 2025 – Present

Executive Office, Ministry of Defense | Abu Dhabi, UAE

- Seconded from the Ministry of Defense to support procurement handling and strategic coordination within the Executive Office's Strategic Management team.
- Collaborate across departments on strategic planning and organizational performance initiatives.

Senior Associate Consultant — Secondment

Oct 2025 – Apr 2026

PwC | Abu Dhabi, UAE

- Supported the PMO workstream (media, technical, business, change management) for a unified government survey platform used by public sector employees and citizens across 56 entities.
- Contributed to a technical strategy project on verifiable credentials, connecting data across government entities so individuals can retrieve key documents — e.g. ID, medical records, criminal record, and degree certificates — through a single platform for use cases such as job applications.
- Co-authored a thought leadership article on Defense Innovation Centers, forthcoming on PwC's official website (Oct 2026).

Captain | Leadership & Strategic Operations

2018 – Sep 2025

Ministry of Defense | United Arab Emirates

- Led operational activities, high-level project planning, and team training within a government defense agency.
- Ensured compliance with national objectives and internal protocols across assigned units.
- Signal systems experience, including fiber optic networks, satellite communication, and multiple communication devices.

Earlier Career

2012 – 2016

- Quality & Training Associate, Juma Al Majid Group (2016) — onboarding, training, and quality benchmarking. Admin & Project Support Officer, Dubai Police Department (2012) — administrative operations and internal reporting.

EDUCATION

- **LL.M., International Business Law** — University Paris II Panthéon-Assas, Dubai Campus, 2025
- **Military Science Diploma** — Zayed Military College, UAE, 2017
- **B.Sc., Electronic Engineering** — Higher Colleges of Technology, UAE, 2016
- **High School Diploma, Automation Program** — Institute of Applied Technology, UAE, 2012
