

Abdulaziz Sultan Awad Al Yafaei

+971 55 898 9892

binalsarraj@gmail.com

Nationality: Emirati

Personal branding statement: HR and operations leader with 11+ years at the UAE Ministry of Defense, spanning recruitment strategy, personnel administration, and cross-agency consulting with PwC. Seeking to build data-driven, technology-enabled public-sector leadership skills through an MBA.

Core Skills: Recruitment & Talent Operations | Process Automation & Improvement | Government Consulting | International Benchmarking | Bilingual Arabic-English Communication

EDUCATION

2015 – Bachelor's Degree, Financial Management, Abu Dhabi University

Abu Dhabi, UAE

2014 – Officer Cadet Program, Zayed II Military College

United Arab Emirates

EXPERIENCE

2025–2026 – UAE Ministry of Defense

Abu Dhabi, UAE

One-year assignment to the Office of the Minister, supporting AI-driven digital transformation initiatives

AI Team Member, Office of the Minister (Executive Office)

- Worked with the Minister's Office Artificial Intelligence team, gaining hands-on experience in AI-assisted data cleaning and data preparation techniques.
- Learned to build and develop web pages using AI-powered tools, supporting the Executive Office's digital transformation initiatives.

Oct 2025–Apr 2026 – UAE Ministry of Defense

Abu Dhabi, UAE

Six-month secondment providing exposure to government consulting and organizational transformation

Government Consulting Seconded, Secondment to PwC

- Contributed to a Job Families classification project for the Federal Authority for Identity, Citizenship, Customs & Port Security; learned the underlying methodology and helped prepare client-facing presentation materials.
- Supported a Dubai Police Criminal Investigation Sector restructuring project, refining the Arabic wording of presentation content and conducting international benchmarking to inform recommendations.

2022–2025 – UAE Ministry of Defense

Abu Dhabi, UAE

Head of Recruitment Section

- Led a recruitment team overseeing the full applicant lifecycle — from medical examinations to work ID issuance — while representing the organization at recruitment and career fairs.
- Co-led the transition from paper-based to online recruitment registration and introduced stage-specific processing time limits, improving the accuracy of recruitment statistics and case visibility.
- Concurrently managed nationwide mandatory National Service registration tracking, processing documented exemptions and deferments.

2017–2022 – UAE Ministry of Defense

Abu Dhabi, UAE

HR Officer, Seconded Personnel

- Led a two-person team responsible for the administrative follow-up of approximately 1,800 personnel seconded to civilian and semi-government entities, covering promotions, allowances, leave, and performance reporting.

2014–2017 – UAE Ministry of Defense

Abu Dhabi, UAE

Administrative Officer, Transportation Section

- Managed administrative follow-up, scheduling, and training coordination for 62 transportation personnel, and monitored fleet readiness and maintenance under a fully manual record-keeping system.
